Training & Education

Traveling Fellowship, John N. Insall

The Knee Society · October 2018 to November 2018

Traveling Fellowship, Rothman-Ranawat

The Hip Society · March 2016 to April 2016

Fellowship, Lower Extremity Adult Reconstruction

The Mayo Clinic, Rochester, Minnesota · August 2013 to August 2014

International Fellowship, Lower Extremity Reconstruction

University Hospitals Coventry and Warwickshire, Coventry, United Kingdom · March 2013 to April 2013

Traveling Fellowship, Cartilage Repair

International Cartilage Repair Society · May 2012 to June 2012

Dickenson Orthopaedic Research Fellowship

University of California at Davis Medical Center, Sacramento, California · July 2009 to June 2010

Residency, Orthopaedic Surgery

University of California at Davis Medical Center, Sacramento, California · July 2008 to June 2013

Internship, Orthopaedic Surgery

University of California at Davis Medical Center, Sacramento, California · July 2007 to June 2008

Doctor of Medicine, Medical Scientist Training Program

Albert Einstein College of Medicine of Yeshiva University, Bronx, New York · July 1998 to June 2007

Doctor of Philosophy, Cell Biology

Albert Einstein College of Medicine of Yeshiva University, Bronx, New York · July 1998 to June 2007

Master of Science, Developmental and Molecular Biology

Albert Einstein College of Medicine of Yeshiva University, Bronx, New York · July 1998 to June 2001

Cancer Research Training Program

National Institutes of Health, Division of Pathology, Bethesda, Maryland · June 1997 to July 1998

Cancer Research Training Program

National Institutes of Health, Division of Pathology, Bethesda, Maryland · June 1996 to August 1997

Cancer Research Training Program

National Institutes of Health, Division of Pathology, Bethesda, Maryland · June 1995 to August 1996

Bachelor of Science, Biomedical Engineering

University of Southern California, Los Angeles, California · July 1994 to June 1998

Awards:StartX, Stanford Graduate School of Business

South-by-Southwest 2023 Top 5 AI Companies, Best Pitch · October 2021

Leader's Edge, Feature Article

March 2025, Artificial Intelligence can Increase Efficiencies, Reduce Costs, and to most importantly to Save Lives in Operating Rooms

BioDesign Faculty Fellowship

Stanford University, Palo Alto, California · January 2017 to May 2017

Certification & Licensure

American Board of Orthopaedic Surgery, Recertification

January 2026 to December 2036

American Board of Orthopaedic Surgery, Part II (Score: Pass)

July 2016 to December 2026

California Fluoroscopy Supervisor and Operator

October 2018 to Present
